Dear Classmate:

As a member of the Class of 1964, I realize how much this annual will mean to all of us in the years to come.

Perhaps some time in the near or distant future we'll pick up our Trident, dust it off, and slowly thumb through the pages, reminiscing about old friends and classmates, and the good times we've had together. We'll remember the bustling sounds and smoky smells of the Canteen, where many of us tried to catch a last minute butt before formation. The feeling of the buildings, pulsating with the life blood of Farragut and memories of extra duty, will bring a warm glow to our hearts and a smile to our faces. We waited impatiently for June Week, and before we knew it, it was upon us with finals, parades, the June Ball, and the apprehension of climbing the stairs to the stage to receive our diplomas and become graduates.

Mr. Noble has told us more than once that "we are the sum of our experiences." Farragut is a part of our lives, and always will be, because we have spent some of our most formative years here. Our 1964 Trident is only an essence of our stay.

I truly wish each of you the best of luck and all the good things life has to offer.

Sincerely

Peter C. Alsop

RAVEN O. DODGE
Captain, A. F. A.
Headmaster

For twenty of the thirty-one years the Academy has been in existence, a host of Cadets, Alumni, Parents, and friends have felt, in its Headmaster, the masterly touch of a dedicated educator. Devoted to the complete and thorough preparation of the Corps of Cadets for successful college admission, Captain Dodge has brought the School to the point in its fairly youthful existence where its academic achievements and high standards of accomplishment are recognized throughout the Nation.

Under Captain Dodge's administration a strong testing and guidance program has been developed into one that has had recognition from leading authorities in this field, the Academy has been honored by its acceptance into the Cum Laude Society, and the record of college acceptances by its graduates is of unusual excellence.

Those of us who have been privileged to know this gentleman, scholar, and advisor, will always remember the steadfast hand that he has had on the Academy's wheel during the course we have traveled here as Cadets. We salute you, Captain Dodge, and we join with all of the other Cadets who have received their diplomas before us, in commending you on a job well done during your twenty years of dedicated service to Farragut.

Here beneath the tow'ring pines / By the river blue / Farragut will ever stand / Alma Mater True / Hail to thee / Hail to thee / Glory be thine own / High the silver and the blue / Ever will be flown

ADMINISTRATION

THE HEADMASTER'S MESSAGE

The Class of 1964, like all young people today, is rapidly approaching that much longed for hour when the rights and privileges of fullfledged membership in society will be yours,—to have, to hold, and to use as you see fit. You are the new generation. You are optimistic and confident as you face this responsibility. You will be more knowledgeable than any generation preceding you; you will face new and greater problems; you will, of necessity, be required to assume new and greater responsibilities. With the greatly expanded knowledge which is and will be yours, with the freshness of vision and approach characteristic of youth, and probably with some distrust and rebelliousness toward that which is, you will eagerly welcome the opportunity of making the future that is to be.

In this respect you are not unique. Every generation preceding you has stood at this same point on the horizon, each has been equally eager, and each has been more knowledgeable than the last. But none has been unique except as it was able to rethink, redefine, and revitalize those values which give direction, meaning, and fulfillment to its eagerness, knowledge, and vision. You are well conditioned to the idea of acquiring knowledge. While it may not always be easy, you accept it as one of life's "musts." The procedures for doing it are fairly well defined. Eagerness, vision, and courage are synonymous with youth, and each is a priceless asset. But values and moral order, which ultimately determine the progress and direction of man and his future, are not so easily acquired.

You, the new generation, will not understand, assimilate, nor possess them until you have lived them. They are not acquired by a few hours of homework nor by taking college courses in ethics and social justice. Liberty, democracy, justice, and truth are more than words defined in the dictionary and mastered in vocabulary study. They are parts of the lives of your forefathers, victories of the past generations, passed on to you. They will not be yours unless and until you rethink and revitalize them, until you relive and give them new meaning in your own lives and for your own time. To the extent that you can recreate these cherished values, to the extent that you define and develop a moral order which will direct both knowledge and vision toward a better future, to that extent you, the new generation, Class of '64, will be unique, remembered, and honored. To the extent that you fail or default, social confusion and catastrophe become the legacy of the future. John W. Gardner in his book, "Self-Renewal" comments: "The moral order is not something enshrined in historical doucments, or stowed away like the family silver. It is a living, changing thing, and never any better than the generation that holds it in trust. A society is continuously recreated, for good or ill, by its members. This will strike some as burdensome, but it will summon others to greatness." My wish and hope for the Class of '64 is that this may be a summons to each of you.

FIRST CLASS

farewell . . .

As I think back over the past years, many fond memories of fellow classmates come into view. Each of these classmates started his first term at Farragut with wonder and optimism about the new life he was about to undertake. As the first year progressed, so, too, did the young Cadet. He slowly become more confident and began to contribute to the tradition of Farragut. Now, as First Classmen, all of these classmates have invested some after graduation, part of Farragut will part of themselves in the Academy, and always live within them, as it will within me.

The many friends I have made at our School will always fill my memories, and I wish all these Seniors the best of luck in the future.

CLASS HISTORY

The September of 1960 brought to our Alma Mater, wide-eyed Freshmen of all shapes and sizes who harbored the hope of graduating in 1964 and going on to college. We all knew why we had come, but our goal was too far ahead to be seen realistically, so we set our sights on our next leave, our next weekend, or even our next day. Since then, however, graduation has come out of the surrealistic future, it is now a tangible event, and our first years seem misty and vague.

A few of us were in the Junior School, but the majority of our Class came as Freshmen in 1960. We can still remember standing in line, anxiously waiting for our first uniforms. We learned to drill, and we became acquainted with inspections and uniform changes. The best of us were recognized on Thanksgiving, and we somehow managed to survive the Dark Ages, which were really easier than our first few months because we were Recognized Classmen. After what seemed to be a lifetime, June Week came and went, and we returned to our homes with the pride that comes with completing a year at Farragut.

With the Fall of 1961 the migration of Cadets to Pine Beach began once again. This year we were no longer Plebes, and graduation began to have a different meaning. It was during this year that rotation was introduced. We didn't fully realize it then, but this was also the beginning of a change in the overall policy of the School. The academic program was outweighing the military program by a wide margin, and we watched the hole in butt park fill up with Shepard Hall. The dedication of the new activities building was held that Spring, and we were told that it would be ready for our use the following September. With this in mind we went to our second commencement and returned home for a well earned rest.

As Juniors, we saw a change in Farragut. Many of us had rates, and we found some of our other classmates giving us orders. School spirit was at a high, and "Beat Peddie" signs were being made to see the football team off. Shepard Hall was opened and the tennis courts were resurfaced. Remember the orange war the day the seniors painted the staff box? And, who can forget being exposed to College Boards for the first time? June was upon us, and before we left, we placed orders for our Senior rings.

When we returned in 1963 we had graduation as our goal, but there was a hard road to be travelled first. We had to write ump-teen applications to that many colleges, and then worry about acceptance. We wore citation cords, used the Senior Walk, and occupied the Weldon Room. A swimming pool was built and many improvements were made on Robison Hall. Our football team had its best season since 1947, with five wins and one loss, and we added our numerals to the already colorful staff box.

With commencement exercises on June 7th, we at last received our coveted diplomas and graduated into the ranks of Alumni, becoming part of Farragut's history ourselves.

"Name, rank, and laundry number!"

"I've got to hand it to you guys!"

"Checkmate!!" — "Care?"

"Hey mom, don't you think you're carrying this charm bracelet thing a little too far?"

"And that's where I ran her aground."

Company guidons

Before—

After—

CLASS WILL

Although the Class of 1964 is departing for greener educational pastures, we leave behind these mementos to bear mute testimony to our existence and achievements:

AL ABRAMS leaves a chance at the Company to Travis, and Table 3 to Meyer and Raynor. PETE ALSOP leaves Sutton's ears to Cimicata, and he leaves Cimicata and a rusty sword to Gowak. PAUL BLACK leaves Bonopane a red ribbon to tie around his finger so he won't forget things. RICH BLASI bequeaths his Co-Captain spot to Winer, while BOB BOND surrenders a certain "Little Bear" to any noble hunter. "TEX" BROWN leaves Coach to White and Vollherbst, mince pies to Olinger and Hageman. DON EIFERD awards his demolished T-birds to Moore, and AL FERRANTE leaves the "system" to McGee. TOM FLEISHER relinquishes his soggy gym towel to Lambert. BOB FRAZIER leaves "turning out" in the morning to any P.O. who has a lazy R.C. roommate, while JIM GANO turns over his clock to Coach and the underclassmen of the future.

BILL GARMAN bequeaths a pack of "all day suckers" to Cadet Berg, while JEFF GARTH leaves Sickbay to Ryan. HANK GOEHRIG passes on his party clothes to Grein, since his will probably be worn out. JEFF GOLZ bestows his ears to Lambert, and JIM GOODRICH leaves J. Williams his collection of well read car magazines. JOHN GRUBE gives Rogerson his job as organizer for trips to the Peppermint Lounge. At the same time, RUSS HAGNER leaves his whistle to Wise, and PAUL HAMER turns over a Bible to anyone who dares use it. BILL HAY says, "I leave Table 10 to Seely, who needs another problem he can't solve." BARRY HOCHBERG bequeaths Elwell's yo-yo to Rosen, for he's sure he can handle it, and Moose handkerchiefs to Stern, for he fits the part. BURT HOTALING passes on his goofing off to Cloud, and JACK HUDAVERDI leaves his beautiful birthmark, on the back of his head, to Warren. FRANK JETER leaves all his old cigarette butts and Mr. Shafa's trig marks to MacKenzie.

"EM" JOSLIN relinquishes all T.R. girls he has known to Kinemond, and "ERNIE" KOVACS passes on his wrestling jersey to Dawson and his Marine hat to Commarano. FRED LEEDER wills a lifetime supply of conduct reports to Bower, Winer, and Travis, while JOHN MEEHAN offers his self-righteousness to Alvarado. Good luck, Alvi!! Ron Dilzer is to care for and be in charge of the 400 deck lounge and canteen — (DAVE MORELLI'S GIFT). JOHN MORTON leaves his kick-off ability in football to Winer, while STEVE MYERS gives his copy of "Deutschland Erwachen" to Bainton. BILL PADGETT said, "I'll leave my sketch book for anyone who has the nerve to look at it," and CHET PARKER yields some of his "Florida Sunshine" to Cranmer and Roman.

JOHN PAYNE passes on a wild weekend on Staten Island to anyone with a high tolerance and BOB PELIO bequeaths the barbells he uses to Winer. Cadet DICK PIZZI leaves his shoe heels to Bainton so he can get more bounce to the ounce. GREG RAPHEL leaves nothing to nobody, while ERNIE RICKEN-

BACKER leaves senior turn-in in Room 310 to Miller. ROG RIEDEL gives up his ability to obtain traffic tickets to Ariano, and BOB SAXTON wills his antenna on top of Farragut Hall to any ham at Farragut who wants to climb the roof to use it. JON SCHOR leaves Ben to Mitchell or anyone else who can stand to look at him.

MITCH SELZNICK surrenders watching Combat on Tuesday nights to Bower. DON SHAW leaves a nose job to Zeltmann so that he can be Irish, too. BILL SHAW donates the Room 212 smoking lamp to Livoti, and the secret passage of Rooms 212-214 to future occupants. BOB SHULTZ leaves his MU 1/c to Sugarmeyer, who needs it badly, and PETE SLOSSON entrusts a "throwing" football to Vollherbst. JACK SLOWATEK leaves his fingers to Crain, while JOHN SNYDER bequeaths his demolished Starfire to Schneller.

ED ST. CLAIR bestows all Gung-Ho teachers to Joe Combat. ART TUTELA delivers the Co-Captain slot of the wrestling team to Bell, and two sets of Ensign pips to Hancock. SCOTT WASHBURN leaves his senior turn-in sign to Zeltmann, and RUSTY ZAUSMER yields his sarcastic sayings and those fabulous leave stories to Greenspan.

AL ACKROYD and TOM FOGLIANI have huddled together and have decided to just leave.

CLASS PROPHECY

Dear Diary:

Today has been the most coincidental day of my life. I picked up the morning paper and saw the names of some of my old classmates. BOB BOND, that famous Greenland explorer, just came in on his dogsled, while Sheik ADIN BROWN and his harem are paying a visit to our city. It seems that Generalissimo JACK SLOWATEK has started another revolution in Bolivia. In the local news, SANDY CLARK, the world famous recluse, has finally stepped out of his cave for the first time in 20 years. JOHN GRUBE, that handsome movie star, has just signed for a new picture, "The Basketball Game". The T.V. and radio section of the paper had some new shows lined up for the summer. AL FERRANTE and his Corkscrew Five have a new show, with guest star AL ABRAMS making his T.V. debut singing, "So You Want to be an Officer." The T.V. has some good sports too. There is a wrestling match Wednesday night between "Killer" BOB SHULTZ and "Strangler" HANK GOEHRIG.

Thinking about relaxing I turned on the radio and heard a news bulletin: The President of the United States, BILL GARMAN, refuses to recognize the new country of Chudsonia, which General JOHN CHUDSON had lately taken over for his brother, the Archduke. Also, RICH BLASI, Headmaster of A.F.A., announced today that three men have been found in Shepard Hall. It seems JOHN HUDAVERDI, JIM GANO, and MITCH SELZNICK were so engrossed in T.V. that they had not noticed that the building was closed 10 years ago.

I then decided to take a walk, and I met some old friends. First were three servicemen, ERNIE KOVACS and JEFF GARTH, who were marines, and PHIL COLE, that jolly old tar. It was then I heard a strange noise from across the street and to my surprise there were JIM HAGNER, BARRY HOCHBERG, and FRANK JETER accompanying BOB DEGEN on the trombone, all playing for the Salvation Army, while JOE BRODZIK shook down passersby for money for the sick and needy.

I suddenly became very hungry, and had trouble deciding between PIZZI's Pizza Parlor and JESSE DIZE and BILL BURTON'S Sub Shop. I finally decided on RIEDEL'S Slophouse. As I crossed the street, I was almost killed by an ambulance which came zooming through the streets with an emergency case for the hospital. Inside was JIMMY DEITZ, Head Ambulance Driver, and WILL HAY who had just hurt his shoulder.

After eating, I met math whiz FRED LEEDER, who told me about some of my more successful classmates. BOB JOSLIN runs a bottled gas plant and is making millions, while DAVE MORELLI runs a modest little summer camp. CHIP SAXTON and BILL SHAW have their own radio station, WJRK. JOHN MEEHAN is now the leader of "The Old Crusty Minstrels," a famous folk song group. As I left Fred, I met PAUL HAMER, who was taking his cat "69" to BOB FRAZIER'S Animal Hospital.

Further down the street, I was again taken aback by TOM FLEISCHER, that fire and brimstone evangelist, speaking on the corner, while FRANK DATTILO painted "Peace on Earth, Good Will to Men" on a nearby building. Walking farther, I spotted DON EIFERD'S Auto Body Repair Shop and RAY DOWD'S Shoe factory side by side.

I decided to go home then, and on the way back, I met two famous coaches, JOHN SCHOR, that well-known "BASKET"-ball coach, and "BUTCH" ACKROYD, the coach for the girls Olympic Rifle Team. Both of these men have given up their time to help JEFF GOLZ, Olympic weight lifter. I nearly lost my life as ALEX DARBY, world renown sharpshooter, shot off my hat. Alex can hit a Spider at 300 yds. Admiral STEVE MYERS came down the street in a tug boat

with CHET PARKER, Keeper of the Royal Head. They told me of JOHN MORTON, famous Ice Boat racer, who was last seen heading for the North Pole. As I passed PAYNE'S Painless Mortuary, I saw GREG RAPHEL, the good humor man. "No thanks, Raph, maybe tomorrow." TOM FOGLIANI was waiting on the corner here. It seems he's waiting for Greenspan to graduate. Surprise of surprises, ERNIE RICKENBACKER just came down the street in his old AFA uniform. I found JIM GOODRICH still trying to give up smoking, while JACK SNYDER is still beating the girls away.

I met CBA Professor, ARTIE TUTELA, of Notre Dame, who told me how ED ST. CLAIR had taken a tramp steamer to India. He also told me about JIM HOTALING, who just found a new formula for "Schnooks Soap." It was sure funny today meeting all those guys, but it was even funnier to see PETE ALSOP'S Construction Company. He sure has a lot of bricks!!

When I got home, I thought how strange this day had been, yet I had still more surprises coming. When I turned on the T.V., I saw RUSTY'S Funny Shqw, with DONNY "The Gremlin" SHAW. Another station was showing the art work of Monsieur BUZZARD PADGETT. I couldn't stand either of these, so I switched again and saw two commercials in a row. First was BOB PELIO, with that Colgate smile, advertising for the toothpaste of the same name, and PAUL BLACK advertising for Mama Black's soup. Nobody ever had to call him twice!!!

PETE SLOSSON, Director of Activities at AFA, just called me and told me about SCOTT WASHBURN, who has taken a trip to Bolivia to help with the fighting, and DENNIS CREGAN, who wrote the book, "How to Sleep in Trig Class".

After this, I went to bed, sleeping restlessly, and having dreams of ear-wax and saluting.

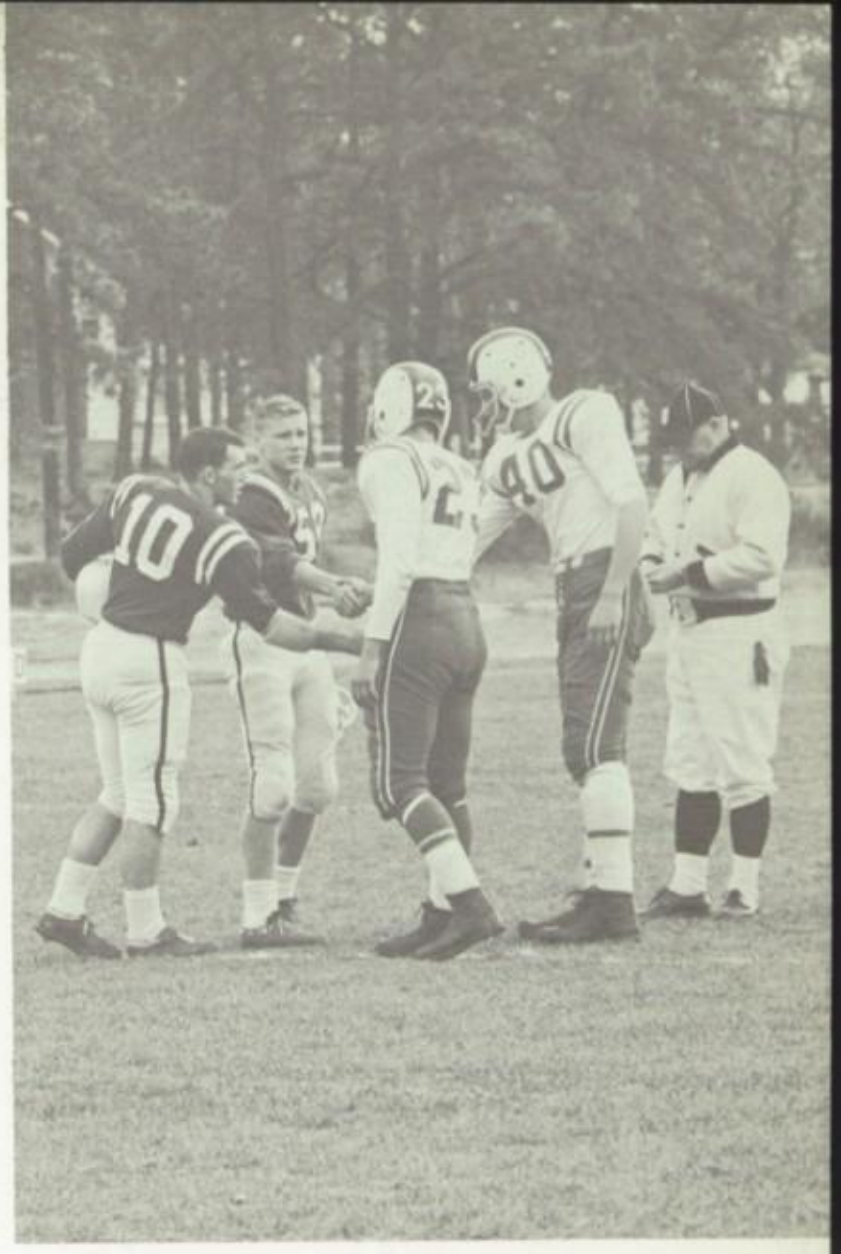
5-1

The first kickoff of the 1963 football season . . . BOOM! and the Middies were rolling; rolling to their best season since 1947. The "Big Blue" started the season on October 5 against Peddie and went on to defeat Blair, Pingry, New York M. A., and Valley Forge M. A. The single loss of their campaign was at the hands of Delbarton, the only undefeated prep school team in the State.

Credit must be given to the Middie forward wall, for it was they who opened up the huge holes for Tex Brown, Stu Kellerman, and Dick Hageman. Pete Slosson, Bill Padgett, Jessie Dize, and Joe Renz made up the offensive line of Farragut. The defensive wall of the "Big Blue" was outstanding this year. Frank Dattilo, Bill Olinger, Joe Brodzik, Bob Bond, Bill Padgett, and Rich Blasi held the opposing teams to an average of only seven points per game, and in two games, shut out their opponents. While the Middies were scoring their touchdowns, the opposing gridmen were all but stifled in their attempts to reach pay dirt.

Coach Stan Slaby experienced his greatest year as football coach. He, and assistant coach, Bob Hunt, should be heartily congratulated. The 1963-64 Corps of Cadets was proud of its team and supported them throughout the season. Also, no opposing team scored a single point on the home field of the "Big Blue" during the entire season.

Let us now look back on the victorious 1963 Farragut football season and recapture the excitement and thrills that were so much a part of every game.



★

Farragut 13 Peddie 7

The Middies opened the season at Peddie with a 13-7 victory. For the first two periods neither team scored, but in the third period, both Farragut and Peddie tallied. Adin "Tex" Brown, the Middies' powerful fullback, opened up the scoring with a seven yard plunge. Peddie came back when Angelo Napolitano scampered sixty yards for the touchdown on an aerial. Dick Hageman of Farragut took a kick off on his own twenty yard line and raced into the end zone for the Middies' final touchdown of the afternoon.

Farragut	0-0-13-0—13
Peddie	0-0- 7-0— 7

Farragut scoring: Brown (7 yard plunge)
Hageman (80 yard run)
Brown (PAT, plunge)

★

Farragut 13 Blair 0

The "Big Blue" won on its home turf by defeating Blair Academy, 13-0. Tex Brown hit pay dirt for both touchdowns. He scored from the three and one yard lines. His ground gain average for his afternoon efforts totalled 7.7 yards per carry. Kurt Vollherbst, the Middies' quarterback, tossed a one-pointer into the arms of Ken White, end. The Middies marched 75 and 71 yards for their scores.

Farragut	0-7-0-6—13
Blair	0-0-0-0— 0

Farragut Scoring: Brown 2 (3 yd. plunge; 1 yd. plunge)
White 1 (PAT, pass from Vollherbst)

Farragut 13 Delbarton 26

It was announced as the "must game," the really "big one;" but after a gallant effort by the Middies, they succumbed to their first and only defeat of the '63 season. Undefeated Delbarton School beat the Sailors in a gruelling contest 26-16 at Morristown, N. J. It was a thrilling game, with the halftime score at 13-7 for Delbarton. Mickey Guerriero raced seventy yards for the "green wave" for their first rally. After a costly Farragut fumble, Brian Regan turned his end and scampered sixteen yards for the Delbarton second score. Brown exploded for a beautiful forty-three yard run into pay dirt for the Sailor's first score. After a halftime intermission, our team completed a seventy-two yard march and Brown scored number two. Delbarton added two more touchdowns in the fourth period, however, to wrap up the game. Brown ran 159 yards in 17 tries for an average of 9.35 yards per carry. The Sailor record now stood at two wins and one defeat.

Pingry tallied early when Steve Newhouse raced twelve yards to score that school's only touchdown. Kellerman amassed 152 yards in eleven carries.

The Sailors returned home and greeted a large Alumni Homecoming crowd with a victory over New York M.A. For the second time in the season the Middie defense held the opposing team scoreless. After a seventy-eight yard drive, Brown hit pay dirt for his seventh T.D. of the season. Stu Kellerman scored his third touchdown in two weeks on a thirty-seven yard run around his left end. N.Y.M.A. had three scoring threats, but the superb Sailor line held.

JR. VARSITY BASKETBALL

Coach Larkin huddles with the squad before game time

The Junior Varsity team, under a new mentor, Mr. Frank Larkin, had a dismal season. The members of the team fought hard, but lack of experience and erratic shooting brought them a 0-7 record. Starters on this year's "Jayvees" were junior Tom Travis, (who looks like a varsity prospect for next year), playmaker, Ted Cranmer and Wayne Lorenz, who helped underneath the boards. Jay Ferry was also a good rebounder and got good shooting support from Steve Eckert, Bob Rogerson and Hank Weatherill. Backing up the front men were Jim Warble, Dan Brothers, Steve Verlin, Jerry Miller, and Edward DeSeta.

The team played its first game against Delbarton and wound up on the losing side 66-30, with Tom Travis fielding 11 points for the Sailors. Only able to muster 13 points, the J.V. Team went down to defeat, 48-13, against a strong Peddie team. Against St. Joseph's School the Middies lost 46-34, with Bob Rogerson collecting 10 points for the losers. Victory was close for the Middies against Stevens, but they ended on the short end by two points. Lorenz and Rogerson combined for 22 points, but the Middies lost 45-43. With only two seconds left the Sailors saw their first taste of victory slip from their hands, as Pingry eked out a 40-39 victory. Cranmer was high man with 18 points. Lawrenceville blasted the young team 67-34, Eckert netting 12 points. In their last game the Middies tried gallantly to salvage one contest, but lost to St. Benedict's 69-47. Two of the Sailors hit for double figures, Cranmer getting 13 points and Travis 12.

VARSITY BASKETBALL

With good potential, height, and a well-balanced team, the Middie Cagemen started their 1963-64 varsity basketball season on December 16 against Peddie. The team was lead by high scorers, Bruce Greenspan and Adin "Tex" Brown. Bruce, playing in his third year of varsity ball, accounted for most of the long, outside shots. He played the guard position during the season and was the Sailors' playmaker. Brown was Farragut's top-notch rebounder and added the great heignt needed for a winning club. Ken White and Rusty Zausmer held the forward positions. White contributed the needed support on the rebound and did a fine job in the scoring column. Zausmer added depth to the team with shooting from the corner position and readily helped in the rebounding department. Kurt Vollherbst was at the other guard position, and was the most outstanding defensive player on the squad. Others seeing court action this year were Pete Slosson, senior forward, Bob Morey, guard, Charlie McGee, guard, Andy Aldi, Bill Olinger, and Jim Meagher.

The Farragut basketball team averaged 52 points per game, while allowing their opponents 56, and ended the season with a record of six wins and six losses. Individual scoring honors were recorded by Greenspan with 28 points against Peddie. "Tex" racked up his personal high against Valley Forge by dropping in 23. Ken White hit for 19 against Lawrenceville, and Rusty Zausmer had 19 against Blair, for his high of the season.

At the end of the season the squad entered the N.J.I.S.S.A. basketball tournament and lost to Delbarton, who had won sixteen straight, by a score of 54-53.

The cagemen started the season on a losing note when they were defeated 64-59 by Peddie. Bruce Greenspan netted 28 points. On the following Saturday, Farragut beat Pingry 56-52, with the help of White and Zausmer, who each scored 15 points. In their first encounter with Delbarton, the Middies lost 71-51. The game was close until the third quarter, when the "Green Wave" pulled away. "Tex" Brown sank 20 points. The Middies met Peddie for the second time and became victorious on a last second shot by Brown. They won 51-50 with the help of Greenspan's 18 points. Hill dominated the Middies for the fifth game of the season, and walked off the court with a 55-36 victory. The Hoopers next met Valley Forge and defeated them 53-42. Brown and Greenspan hit for 23 and 17 points respectively. Blair next went down in defeat as Rusty Zausmer netted 19, while Greenspan collected 18 in the Middies' 65-53 triumph. Greenspan led the courtmen to a hard-fought 59-53 triumph over Stevens and the Middies' record was 5 wins and 3 losses at this time. Delbarton again beat the Slabymen in an exciting contest with the final score at 71-56. Brown collected 23. In a low scoring game, Pingry defeated Farragut 51-33. The Middies could only muster nine points in the first half. The Sailors, in a nip and tuck battle, beat the "Larries" of Lawrenceville 50-48 when Bruce Greenspan put in a driving lay-up with 10 seconds left. Greenspan netted 18 points and White 19 points. St. Benedict's defeated Farragut 58-50 for their last regular game of the season, in which Greenspan hit for 26 points.

On February 24, the Farragut Sailors met Delbarton, who was on a seventeen game-winning streak, for the first game of the N.J.I.S.S.A. tournament. Farragut played its greatest game of the season, only to lose a heartbreaker, 54-53, to eliminate them from the race. At half time the score stood at 33-31 in favor of Delbarton. In the two previous games between the two teams, there had also been only two points separating them at half time. Farragut was behind until Rusty Zausmer sank a lay-up at the end of the third quarter. The lead changed from one team to another, and with Farragut behind by one point and with ten seconds remaining, they took the ball downcourt. Greenspan made a last ditch attempt to cop the win, but his shot rolled off the rim at the buzzer and the Middies saw their chances of a tourney record go down the drain of misfortune.

VARSITY WRESTLING

The Farragut matmen finished the season with five wins and four defeats to produce the first winning season for a varsity wrestling squad since 1950. A combined effort on the part of the team and a new coaching staff made the season a memorable one.

Peddie

The grapplers jumped off to a winning start by defeating Peddie 26-23. Doug Tummons (114) opened the score for Farragut with a 6-2 decision over Frank. Ted Bell (123) followed with a second period pin against Spike. Co-captain Bob Kovacs (135) put the Sailors ahead as he defeated Wade 6-1. He was followed by Co-captain Artie Tutela (140), who lowered the boom on Draper in the third period. Hank Goehrig (156) produced a pin the second period over Thomas to put the Middies in sight of a team victory. John Dagostino (heavyweight) scored a needed pin against Zulteman in the second period to boost the team to its first victory.

Lawrenceville

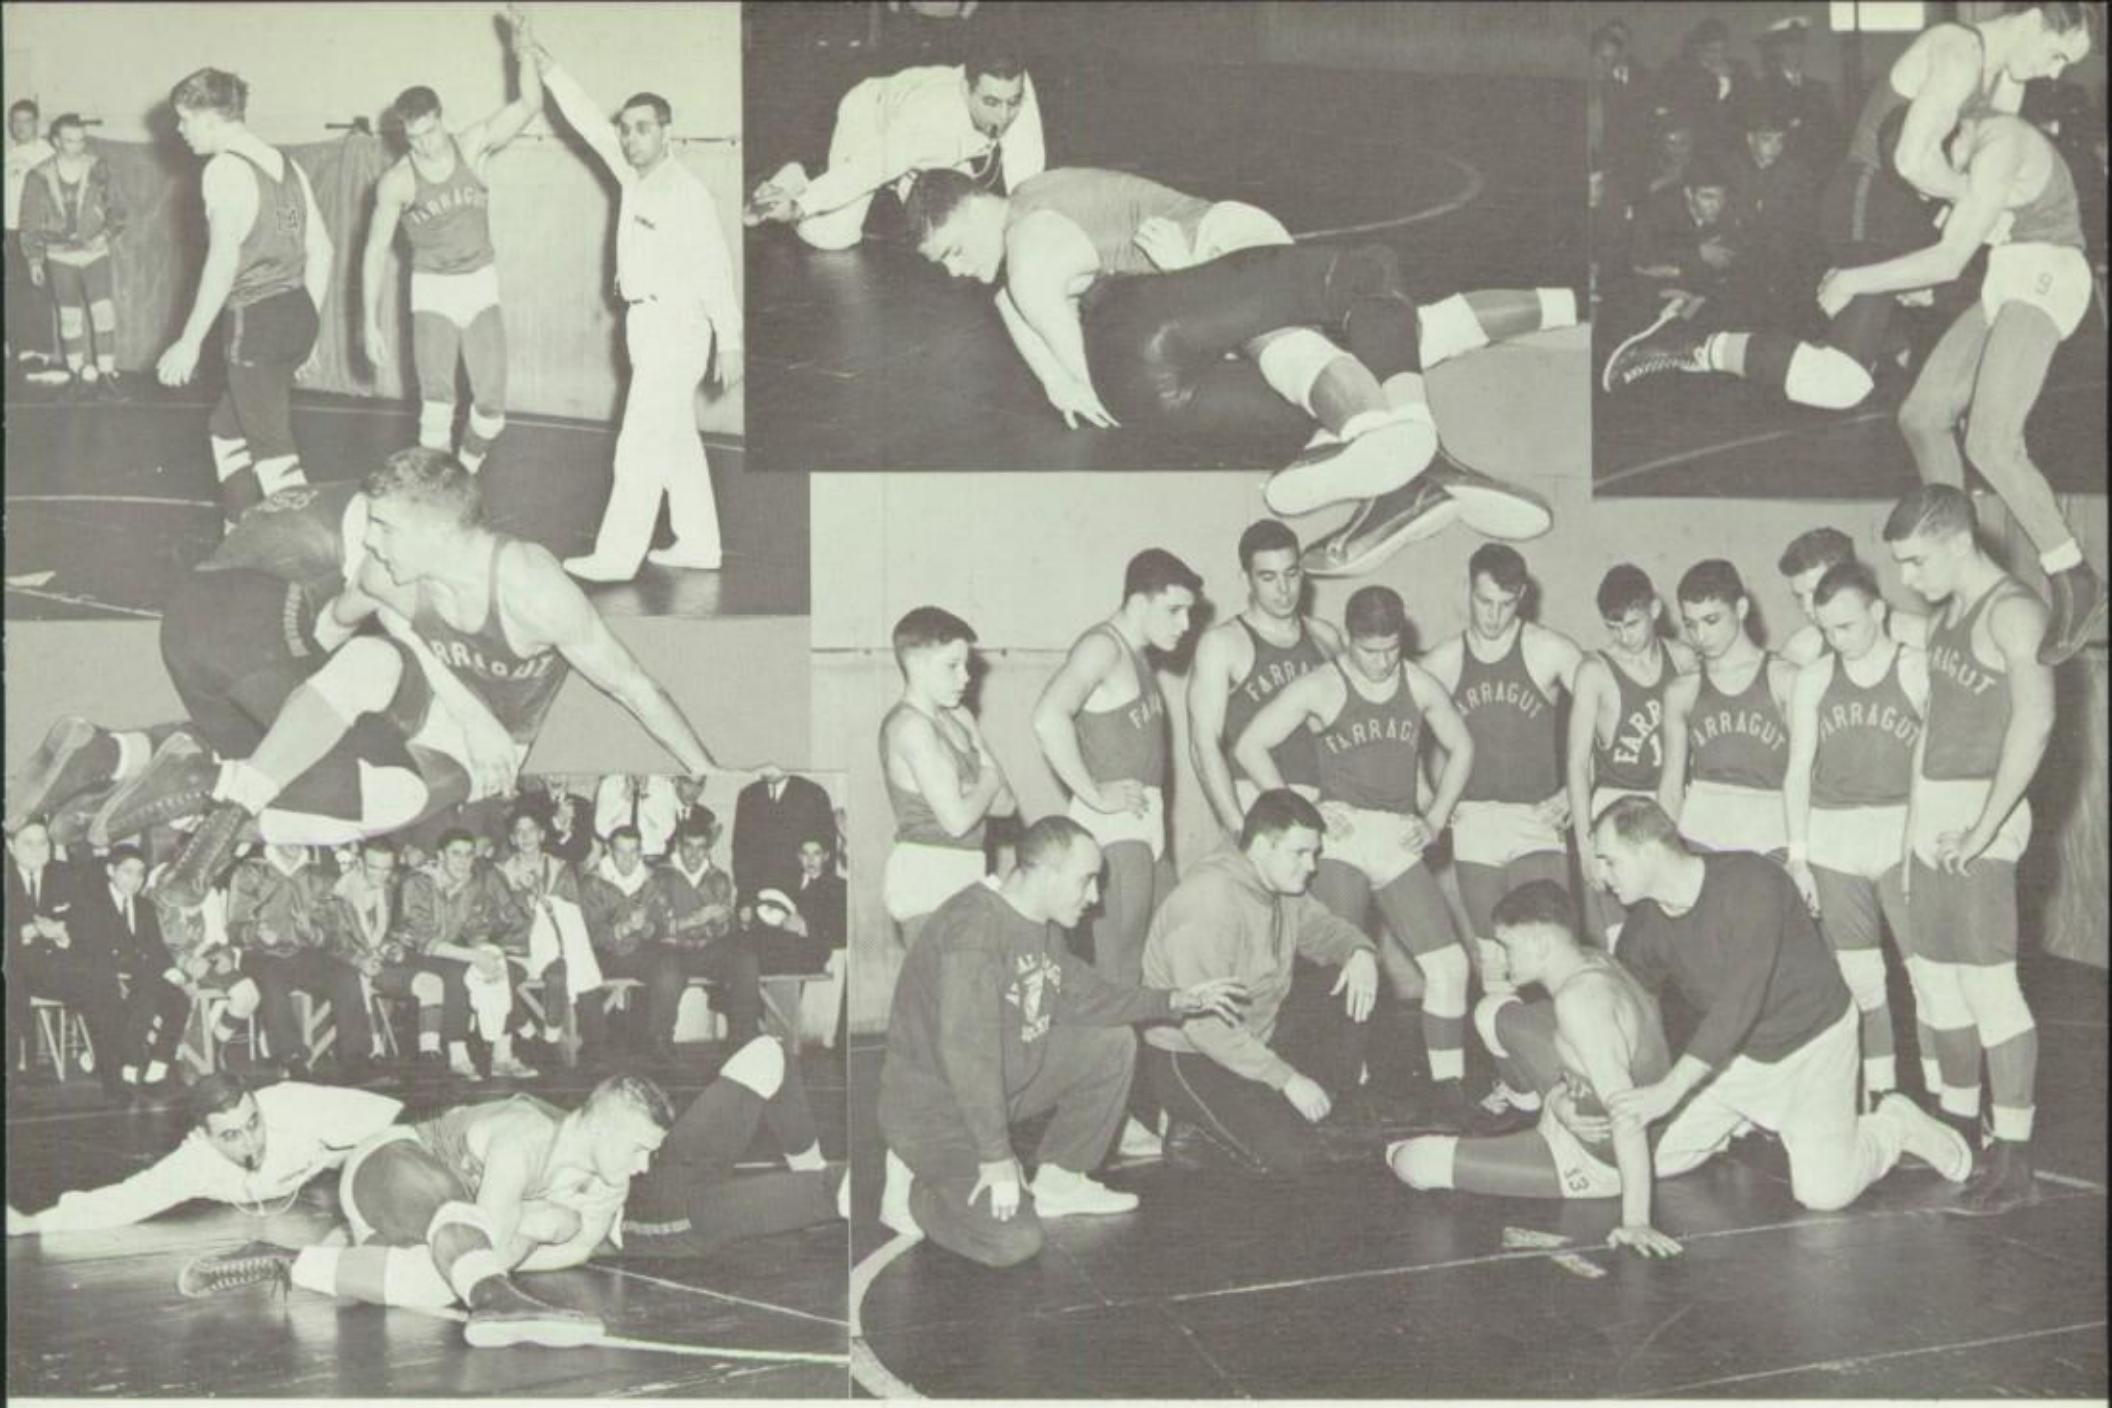
The Middies lost a heart-breaker to Lawrenceville by a score of 22-21. It was Tummons who started the grapplers on their way by defeating Pollack, 8-2, and once again he was followed by a pin by Bell. Bell pinned Schnar in 5:03. Kovacs came up with a 5-0 win over Culp, and Tutela chalked up another pin. Dagostino did all he could by scoring a 5:10 pin versus Raper, but the grapplers were still short one point.

Morristown Prep

The Sailors got off to a bad start against Morristown by losing their first four matches. All was not lost, however, for Kovacs began a drive, which continued through the match, by beating Schwartz 5-0. Tutela continued his streak of pins by downing Carlson in 1:03. Trip Thompson (147) also scored five points by gaining a third period pin. Goehrig drew with Co-captain Bauchman, who was last year's State champ, and who was undefeated in his last twelve matches. Mike Jackson (167) continued the Farragut drive by upending White 9-4. With a tie score Joe Bainton (178) and Dagostino both came up with pins, giving Farragut a 28-18 victory.

Blair Academy

Blair Academy, NJISAA champs of 1963, squeaked by with a 21-17 win over the Middies. Carl Isbrandtsen (105) registered a 2-0 win over Cornnall. After four Farragut defeats, Tutela regis-



tered a 5-0 decision over Basley. Thompson came up with another decision as he defeated Heath 2-1. Goehrig went on with a 1-0 decision over Brown and the next match was a draw by Lloyd Moore (167). Dirk Isbrandtsen (178) decisioned Delavett 2-0, and the heavyweight bout was lost 7-6 on riding time, as Blair took the team victory.

St. Bernards

Once again things looked bad for the Middies as they sent Kovacs to the mat after two Bernard pins and two draws. Kovacs started a rally by pinning Kess in 4:53. Tutela scored the second fastest pin of the day by downing Hassinger in 1:07. Another pin was scored by Thompson, as Farragut took the lead. It took him 4:49 to down Gibons. Goehrig continued the string of pins by pressing Woershing in 3:38. Jackson scored an impressive decision by totalling a 11-5 score. Once again it was a fast Farragut pin as Al Garland (178) took only 1:06 to defeat Russo. Dagostino decisioned Mattingly 8-7, which gave Farragut 35 and St. Bernards 14 team points.

Pingry

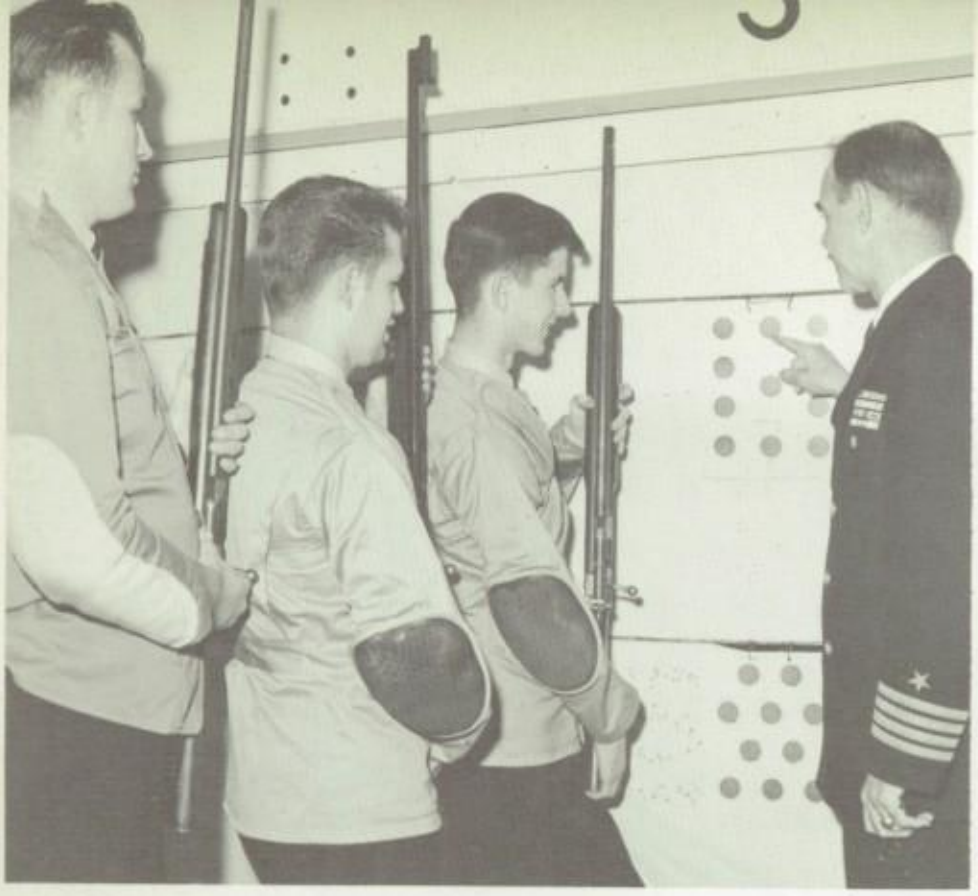
The Middies chalked up another impressive victory over Pingry. Isbrandtsen registered three Farragut points by beating Britton 3-1. Bell came up with a 4-4 draw against Kixmiller, Vince DiPano (129) downed Lalorte in a 5:54 pin, Kovacs decisioned Thomas 5-4, and once again Tutela came up with the fastest pin of the day as he lowered the boom on Clay in 1:54. Thompson scored a pin over Fisher, and in the 167 pound class Jackson pinned Connall in 3:32. Garland followed with a 4:12 pin and Dagostino finished the match with a 3:19 pin over Bentley. Farragut finished out in front 38-10.

Hun School

With a winning season in sight, the Middies romped over Hun by a score of 32-11. Isbrandtsen, Kovacs, Tutela, and Dagostino combined to produce four pins, while Bell, DiPano, Goehrig, and Jackson registered decisions for their impressive victory. Three of the eleven bouts were lost in the 115, 148, and 178 lb. classes.

NJISAA State Tournaments

Three Farragut wrestlers won medals at the NJISAA tournament. Al Garland (178) took a silver medal for second place, Art Tutela (140) won a bronze medal for third, and Trip Thompson (148) received the fourth place copper award.



Captain Crosley says, "you naturally get better scores if you can hit these little black things."

Darby, Malzone, and J. Carlo clean their pieces as Captain Stickley looks on with a critical eye.

VARSITY RIFLE

The 1963-64 varsity rifle team fired its way to a fine record under the combined coaching of Captains Paul Crosley and Douglas Stickley. The team was captained by Alden Ackroyd, the third highest scorer. Alex Darby was high man, with Don Eiferd taking second place honors. Others who fired were Jim Deitz, Ian Ferris, Tom Fleischer, Jack Bunnell, Pres Howe, Lou Malzone, Dennis Moore, Jack Payne, and Dick Pizzi. Fleischer, Malzone, Moore, and Pizzi were all starters.

Farragut faced the No. 1 rifle team in the Nation for its first match, losing to Xavier 929 to 895. Later, Farragut was again defeated by the same club. In the traditional Army-Navy triangular match, the Sailors beat Bordentown, 1348-1346, and won by four points over New York M. A. The Rodmen split with N. Y. M. A. (1-1), won two from Colonial Jr. Rifle Club, defeated Essex Troop twice, took two against Bordentown, and won separate matches against La-Salle M. A. and Toms River. For a final, the Middies finished fifth in the State meet, with Alex Darby scoring 368 out of a possible 400 points, taking a third place. Eiferd, Malzone, Deitz, and Ackroyd ended sixth, eighth, ninth, and tenth respectively.

Front Row—(L to R)—Deitz, J. Carlo, H. Moore, Ackroyd, Malzone, Howe, Pizzi. Back Row—Captain Stickley, Bunnell, Payne, Darby, Ferris, Eiferd, Captain Crosley.

First Row (L to R) — Beard, Morton, Snyder, T. Fogliani, A. Brown, Golz, Hode.. Second Row — Citta, F. Meyer, Mandia, Brothers, Vollherbst, Grein, Taussig, Huff, LT Slaby (Coach). Third Row—Schor, Warble, Fisher, D. Moore, Harman, Winslow, Morey, Greenspan, Gano.

VARSITY BASEBALL

Tom Fogliani and Tex Brown learn the finer points of hitting from "Coach."

This year's 1964 varsity baseball team had to rely on the pitching prowess of last year's starters, Tom Fogliani (All-State selection) and John Morton, both seniors. Other returning lettermen from Coach Stan Slaby's '63 team were Bruce Greenspan, third base, Adin Brown (first team All-State last season), catcher; Jeff Golz and Frank Mandia, second base; Frank Dattilo, center field, and Frank Meyer and Roger Riedel, left field. Coach Slaby was optimistic for a better club than he fielded last year when the '63 team sported six wins, three losses, and one tie.

Others on this year's team who competed for starting roles were: Kurt Vollherbst and Frank Harman for first base; Jim Hode and Jack Snyder at right field, and a close battle at shortstop between Jack Huff and Dan Brothers. Managers included Jon Schor, Jim Gano, Joe Citta, and Jim Strong. Keen competition among the squad members was the motivating force behind the team's action during the season.

The Middies played their first game against Pennington, at home, followed by Delbarton (A), St. Benedict's (H), Peddie (H), Hun (A), Valley Forge (A), Central Regional (H), George School (H), Blair (H), and Pingry (A).

First Row (L to R)—Lambert, D. Isbrandtsen, Hageman, Slosson, Pelio, Padgett, Alsop, Garman, Hamer, Gurdian. Second Row—Whitehill, Cimicata, Miller, R. Fogliani, Aldi, Olinger, Coyle, Cammarano, T. Tyler, Cranmer, Ferry, Ebert. Third Row—Rinderer, Onysko, Tummons, Roman, Schramm, B. G. Brown, Dunne, Stout, White, Jackson, Kunzelman, Mr. B. Solloway (Coach). Fourth Row — Malzone, Fox, Warren, MacKenzie, Coppess, Seale, Winer, Renz, Benajam, Lang, Wetherill.

VARSITY TRACK

After last year's winning track team (3-2), Coach Ben Solloway anticipated another outstanding year for '64. A bigger schedule was waiting for the team, as it had ten meets compared to the five of last year. Again, the Cindermen ran on their home track for half of the meets. Co-captains Bob Pelio and Bill Padgett were the leaders as the team worked hard for another successful season.

The individual track events shaped up as follows: 100 yd. dash—Hageman, Pelio, Cranmer; 220 yd. dash—Pelio, Hageman, Schramm; 440 yd. dash—Olinger, Jackson; 880 yd. run—Alsop, B. Brown; Mile—Miller, Isbrandtsen. In the running events, Pelio, Alsop, and Brown were returning lettermen. Olinger, Cranmer, and Schramm were new Cadets who showed great potential.

The field events score card showed: Shot put—Winer, Coppess, Mackenzie; Discus — Padgett, Coppess, Renz; Pole Vault—Tummons, Coyle; High Jump—Jackson, White; Broad Jump—Pelio; Javelin Cranmer, Hamer, Garman, Eiferd. Returning lettermen were: Eiferd and Kovacs. Cranmer, a junior, could conceivably break one or more school records, while Winer and Coppess, as underclassmen, should be assets to the team in the future. The team opposed Valley Forge for its first meet and ended with Blair.

FARRAGUT PARENTS' ASSOCIATION

DEDICATED TO THE WELFARE AND PROGRESS OF ADMIRAL FARRAGUT ACADEMY, ITS FACULTY, AND ITS CORPS OF CADETS

There Will Always Be Someone Taking Your Measure!

Some measures are taken with a tape but the more important measures of life are taken by the people who size us up, whether it be a sweetheart, a classmate, a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or not, scrutinizing the dimensions not only of our physiques but of our minds, abilities, and characters.

Your training at Admiral Farragut Academy has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet foursquare to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

We measure Cadets for uniforms. Our customers measure us in their appraisal of our ability to execute a uniform contract satisfactorily. It will be a never-ending effort on our part to keep our measurements good in the eyes of Admiral Farragut Academy.

We salute the Graduating Class and wish you all Godspeed in your chosen field of endeavor.
